"The Singers is easily one of the **best choral ensembles in America, if not the entire world.** Their precision, passion, and musicality are **awe-inspiring.**"

- Jim Svejda, KUSC-FM, Los Angeles

Greetings!

I am a proud member of **The Singers**, the premiere professional choral ensemble based in the greater Twin Cities area. Our organization creates exceptional, innovative choral artistry that speaks to our changing world. **Through the performance of established works and the programming of today's new music, The Singers serve as artists, educators, and advocates of the choral art.**

We are preparing for our annual gala, which is organized to raise a significant portion of our annual budget. The money raised from this event supports our educational outreach efforts, which have impacted thousands of students and singers in the last few years. We rely on the generous support of those who believe in the positive influence that arts have in a community!

**We are asking you to please consider a donation to our silent and/or live auctions for our upcoming gala, *My Romance: A Singers' Valentine*.**

**Friday, February 10, 2017, 6-9 PM  
Oak Ridge Country Club  
700 Oak Ridge Road, Hopkins MN**

The attached donation form includes all information you need in order to participate.

**On behalf of my colleagues in this great organization,  
thank you so much for your help!**
